2. About Us Page

Who We Are

Duenscape is a real estate and development company built on a foundation of innovation, discipline, and regional insight. With a diverse portfolio across residential, commercial, and mixed-use projects, we pride ourselves on delivering high-quality developments tailored to the evolving needs of modern life.

Our expertise spans the full development lifecycle — from land acquisition and concept planning to engineering, execution, and asset delivery. We collaborate with top-tier professionals and international partners to ensure every project is built to the highest standards.

Our Approach

We believe great development begins with understanding the human experience. Our approach integrates smart design, community needs, and sustainable planning to bring spaces to life — for living, working, and thriving.

Meet Our Team

The Minds Behind Duenscape

- **Eng. Mustafa Abdul Sattar Oz – CEO**
Visionary leader with over 20 years in real estate strategy and execution, steering Duenscape's growth and long-term direction.
 - **Dr. Mohammed Al-Shami – General Manager**
Expert in urban planning and infrastructure, with a deep understanding of both regional dynamics and international best practices.
 - **Mr. Abdo Al-Rawthan – Public Relations Manager**
Specialist in strategic communication and stakeholder relations, ensuring Duenscape maintains a strong presence and trusted reputation across the industry.
